

2019 Dessert Cabernet

WINEMAKING NOTES

The fruit for this wine was grown on the stony, sandy lower terrace of Askerne Vineyard.

After the fruit was harvested it was fermented for a short period of time which was stopped by the addition of alcohol. The wine was then aged in older French oak barriques for around 11 months.

ANALYSIS

pH 3.8

TA 6 g/l

Residual sugar 70 g/l

Alcohol 16.5%

TASTING NOTES

Very deep fruit notes of blackcurrant, rosemary, and tar. The light fortification and aging in old barrels has contributed a floral lift and savoury walnut character. A dark chocolate note is also present.

The palate is all about generosity and decadence. The exceptional richness is a combination of fruit ripeness, light fortification and preserved fruit sugars.

Food match-high cocoa solid chocolate-based deserts or petit fours.
