

2020 CABERNET FRANC

WINEMAKING NOTES

This wine was made from grapes grown on the stony and sandy terrace of the vineyard. The grapes were cold soaked for around 5 days and then fermented with a mixture of wild and inoculated yeast. The wine was then pressed and racked to French oak barriques where it was aged for 12 months. The final blend has a 25% new oak component and 38% one year old.

ANALYSIS

pH 3.71
TA 5.7 g/l
Alcohol 14.0%

TASTING NOTES

Aromatic scented red fruits with sweet and toasted oak notes, this wine is warm and inviting. Layers of concentrated berry fruit and spice fill the palate, supported by chocolatey tannins and finely grained oak that adds richness and complexity, balanced with juicy acidity.
