

2021 LATE HARVEST GEWURZTRAMINER

WINEMAKING NOTES

The fruit for this wine was grown on the stony, sandy lower terrace of Askerne Vineyard. The fruit was hand harvested on the 5th May 2021 with bunches selected for a moderate botrytis infection. It was then stomped and soaked on skins for 24 hours before pressing. Fermentation was with inoculated yeasts in stainless steel tanks.

ANALYSIS

pH 3.82
TA 5.6g/L
Alc 11.5%
RS 107g/L

TASTING NOTES

Perfumed aromas of honeysuckle and peach blossoms, orange zest and honeydew melon with subtle quince notes. Hints of ginger spice and crème brûlée add aromatic complexity. The palate is beautifully balanced between the broad decadent fruit sweetness and the wonderfully juicy acidity. Layers of flavour flow through into the long and delicious finish.
