

ASKERNE 2021 SAUVIGNON BLANC

WINEMAKING

The fruit for this wine was grown on the lower terraces of Askerne Vineyard. Cool fermented in stainless steel tanks with a range of different aromatic yeast stains to bring out the wonderful vibrancy of this variety. The blend also contains 5% Sauvignon Gris which adds an extra citrus lift to the aromatics. After blending, this wine was left on light lees to add complexity and texture to the palate.

TASTING NOTES

Beautifully intense aromas of nectarine and lime complimented with fragrant tropical notes. The juicy palate is vibrant and packed full of stonefruit and citrus flavours, which flow through to a long and zesty finish.
