

ASKERNE 2022 ROUGE

WINE MAKING NOTES

The 'Rouge' is a blend of premium red varieties including Merlot, Petit Verdot and Barbera. Each varietal was fermented separately in closed top tanks which were pumped over one to two times a day. Extraction was gentle to provide full, but soft tannins. Lightly oaked and aged for 6 months prior to blending, this wine was bottled early to retain its aromatic purity and vibrancy.

ANALYSIS

3.78 pH
TA 5.6 g/l
Alcohol 12.5%

TASTING NOTES

Dark savoury spice with toasted sweet oak combine with delicious berry notes to give a wine that is wonderfully alluring and aromatic. Chocolatey tannins provide beautiful richness with layers of crushed berry fruit and plum flavours flowing through a perfectly balanced palate that has a long and juicy finish. A beautiful food wine.
